.....

Ishin Hotels Group announces further investment in the Narita area with the renovation of the Hilton Narita Hotels facilities. As a substantial employer and contributor to the economy of the Narita area Ishin Hotels Group demonstrates it's faith in the region with commitment of a further JPY200 million in facilities and services at the Hilton Narita Hotel. This is part of an ongoing plan to deliver a wider range and higher standard of services to local, domestic and international customers.

As we celebrate our 6th anniversary in Narita we are proud to announce these changes which include better restaurants with enhanced creative menus, new health club and accommodate facilities.

Please find below the details of our renovation.

Matsukaze - Japanese Restaurant

Our Japanese Restaurant *Matsukaze* has undergone through and complete renovation addressing décor and service facilities giving it a brand new look and all in the same location. Natural sunlight through our large windows with views over the garden and countryside further refreshes the brighter interior.

Other new features include paper screens made of traditional *washi* paper and our private dining rooms provide a private setting for that special business meeting or celebration.

Baien -Chinese Restaurant

Baien our Chinese Restaurant has increased its capacity with 40 more seats and additional private dining rooms facilities for business entertainment or social celebrations. The new interior décor reflects the Chinese theme and gives a bright new oriental flavor to the restaurant. The menus are creative and deliver high quality innovative Chinese cuisine. Seasonal menus reflect the Chinese style with fresh local ingredients, an exceptional dining experience that you must try. Celebrations are a specialty with a diverse range of menu options to suit all tastes and needs.

Health Club

Now features the latest Precor equipment. Acknowledged as a world leader in all types of exercise equipment Precor have designed and installed 32 new pieces of equipment - some 20 different types of machines. Running machines and bikes come have their own personal LCD TVs and headphones to enhance your exercise experience.

Change facilities, bathing, sauna / steam and Relaxation Rooms reflect the changed environment providing an option to relax and wind down after a workout.

Bright new décor is featured throughout the facilities. Memberships are available.

Deluxe Plus Rooms

We have completed additional refurbishment of guest rooms. The newly-renovated Deluxe Plus Rooms facing the airport provide premium accommodation for business or leisure travelers.

Deluxe Plus rooms feature inviting dream beds with duvets, renewed bathrooms with large, multipurpose showerheads, a large work desk for business travelers with an ergonomic chair, improve room lighting to provide the perfect feeling in room and sufficient light for deskwork. The rooms also

feature in-room personal safes, a large 32in LCD TV, double glazed windows, and brand name amenities for discerning guests.

For business or pleasure, the Hilton Narita Deluxe Plus rooms are a haven refresh on that long journey, a place to relax and renew, or a convenient and efficient place for business. We await you next stay.
